

# PRAYING FOR THE WORK OF UNLOCK 2022

Praying for the work of Unlock 2022 Looking to Jesus, the founder and perfector of our faith, who for the joy set before Him endured the cross.  
**Heb. 12:2**

## SUNDAY

**2021 - 2022**

We ended last year's prayer guide by saying that we would look back and praise God for all that He has done. Let us continue that theme this year. Thank Him for everything He gives to us: faith, family, friends, Unlock, even life itself. Without Him we would have nothing.

## MONDAY

The world changed during the pandemic. online shopping, Zoom meetings, live-streamed church services, etc became the norm. Pray for wisdom for the the Council members and staff that they would find the right path for the future, using the best of technology and leaving aside the least useful.

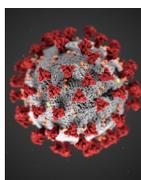

## TUESDAY

During the pandemic, many were frightened, bereaved, lost the confidence to go out or suffered worsening health due to long hospital waiting lists. Pray for all the Unlock workers as they reach out to people with the good news of the down to earth Christ.

## WEDNESDAY

Praise God that Unlock has survived the pandemic, albeit with depleted finances. Ask the Lord for generous supporters in the coming months. Give thanks for past donations and grants. Pray for new supporters and funding.

## THURSDAY

After 2 years of virtual walks it is hoped that the 2022 walk will be a live event. Thank God for the support given to the virtual walks. Pray for the planning of London 2022 and the churches who will be involved either as venues or participants.

## FRIDAY

Give thanks for Sharon in Cardiff and her work with Caru and TAVS. At the time of writing work in other locations is suspended. Lift up to the Lord: Sheffield, Rotherham, Liverpool, Sunderland, Burnley, Hull, Newcastle & Hastings. Pray that it might be possible to start working in these areas again.

## SATURDAY

'The Year We Stayed At Home'. This is one of Unlock's latest resources. Pray that all the resources will be well used and for the development of new resources.
