

Welcome to Broadwater Farm Estate and Church on the Farm

UNLOCK LONDON WALK 35
'TOGETHER IN TOTTENHAM'
SATURDAY 28 APRIL 2018 9am to 5pm

We are really pleased to be visiting a church on the 35th Unlock Walk which was in the process of being planted when we visited on the 21st Walk! It now has its own rented accommodation and throughout the week is a place in the heart of the estate where God's love is shown in, through the life of local Christians, children's and youth work throughout the week, prayer for the community and open-hearted worship each Sunday. If you google Broadwater Farm a frequent word that you will find attributed to the estate is 'notorious' which means "generally well known and talked of (especially unfavourably)" and you are likely to have heard about some events. But there's more to the story. Broadwater Farm is home to about 4000 people from diverse backgrounds living in harmony, and although there is much unemployment and poverty, the crime rates are very low and residents feel safe. "This is a community of people who, regardless of what is going on, want to achieve the best for their children under very difficult circumstances. There is no difference between the aspirations of the children here and those from Kensington or anywhere else in the country. "They want to be teachers, engineers and astronauts" said the minister, Keith, when talking about the after school club the church runs. Church on the Farm is looking forward to welcoming Unlock walkers; please take time to stop and chat and support them and be encouraged by them as they seek to make Jesus well known and talked of in their community.
