# THE UNLOCK LONDON WALK NO. 28

Unlocking real life stories of urban people  
Revealing Good News of the Down to Earth Christ  
Releasing life changing skills & confidence

## SATURDAY 16th APRIL 2011 9AM to 5PM Lambeth & Southwark and the city of London

The 2011 UnLock London walk marks the 400th anniversary of the King James Authorised Version of the Bible, visiting parts of London associated with the troubled history of Bible translation.

Dear Walker,

Many of you will know how important your efforts are in fundraising through participating in UnLock's London Walk. About half of UnLock's income comes in this way. And whilst many charities have experienced a decrease in giving in recent years, our walk has been holding its own very well, and since we've been cutting costs, we have actually increased its contribution. We've also been trying hard to give you an appropriate opportunity whilst you walk to learn about UnLock and if you haven't experienced our work, please stop at the relevant check point and learn about us; it will encourage you. The other learning experiences, aside from the walk through other people's world, are the visits to other people's churches which we know many of you much appreciate.

So, there are very solid reasons for our walk; it's a wonderful walking day out, but it is a great deal more than that. Make the most of all that you can learn and feel, raise as much money as you can by the means described in this brochure, and know that you are making a real contribution to ensuring that the Good News can be shared appropriately; and thank you.

*Andrew Dorton.*

Andrew Dorton, Chair of UnLock National Council
