

# Who won **GOLD** in the Bible?

There were no Olympic Games in the Bible. There is in fact little mention of any kind of sport. But there is no doubt that people and nations were as competitive as today.

If you want to find out who did some diving (fully clothed!) you should read **John 21:7**

If you are a runner you can get some inspiration from **Hebrews 12:1**. And if you need inspiration to start training, read **1 Corinthians 9:25!**

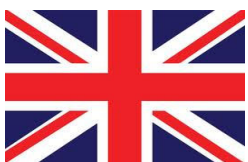

There are many nations mentioned in the Bible, and many more if you look at a world map today. But the Bible says that something is more important than which nation we belong to. Read **Galatians 3:28** and **Proverbs 14:34**.

All of us want to see the UK win many gold medals this summer. But the Bible also says something else is as much worth as gold. Read **Ezekiel 28:4**.

And we can all become winners if we read **1 John 5:4-5!**

So let's pray for our athletes during the Olympic Games. But let us also as a nation, community or church remember the words of **Psalms 119: 127**. And with God's help grow in faith and strength to be worthy winners of God's kingdom!
