

A new way to collect sponsorship or make donations to Unlock using Give as you Live Donate

If you want a quicker simpler way to solicit and collect your Unlock sponsorship you can now register with Give as you Live Donate, who will collect all your sponsor money, claim the gift aid, and send it all to Unlock on your behalf. This allows you to promote your fundraising for Unlock via your face book page or by e-mail, and to collect sponsorship from people at a distance who you do not regularly meet up with. It saves you managing a pile of small change or writing a cheque. It also saves Unlock time and money, making your support more valuable to us, because more of it can be channelled straight into our front line work with the Bible amongst the urban poor.

Instructions

To request sponsorship: -

1. Go to <https://donate.giveasyoulive.com>
