

Hull

After two years with a paid Unlock worker, Unlock Hull is now run by a group of local volunteers

Unlock Hull developed the series of 'Unforgotten' events to help Hull people share their stories after the 2007 summer flooding.

Stories of past Unlock Hull workshops, including 'Consider the brick' & 'Consider the Go-cart' now on Unlock national website. www.unlock-urban.org.uk

Further Unlock events are planned in collaboration with local churches in 2009

Unlock Hull has produced a new Unlock pack, '*Unhinging Hospitality*' which will soon be available on the Unlock website.
