

BIRMINGHAM

We are Pete & Sam, we live and work in Birmingham. Before this we were Mission Partners with the Methodist Church in Bulgaria and were engaged in mission there. Having worked there we are used to communicating on lots of different levels, due to the different language (which we learnt) and cultural differences. We both grew up in rural places, but moved to urban areas in the Midlands in our early twenties and feel we thrive on diversity and networking. Our mission experience has been around presence and engagement in communities. The Unlock method, beginning with peoples story is something that is important to us and we look forward to using and learning from it. I (Sam) used to work as a nurse and I (Pete) worked in retail management and then for a charity working with excluded young people. Now we are both training for ministry with the Methodist Church. We are not Brummies, but we love the city and the people! Oh and Cadbury's chocolate.
